APPRECIATION LETTER

The Regional Directorate of National Service Scheme (NSS), Kolkata, places on record its sincere appreciation for your valuable contribution and active participation in the “**NSS Water Mates**” initiative undertaken by the Regional Directorate of NSS, Kolkata, as part of **Serve BRICS 2026: Volunteering for a Better Tomorrow** and in observance of **United Nations Public Service Day** on 23 June 2026.

The initiative was designed as a special community outreach programme to provide safe drinking water and relief from the intense summer heat to commuters and members of the public at railway stations, bus stands and other public places. The enthusiastic participation of NSS Volunteers transformed this simple act of service into a meaningful demonstration of compassion, empathy, volunteerism and public service.

It is a matter of great satisfaction that **110 NSS Units** and **3,374 NSS Volunteers** participated in the initiative and collectively distributed approximately **18,326 liters** of drinking water benefiting **69,346 people**.

The impressive scale and impact of the initiative reflect the commitment of NSS Volunteers towards community welfare and their readiness to respond to the needs of society, particularly during challenging weather conditions. Your leadership, motivation and coordination as the NSS Programme Officer have played an important role in making this initiative successful.

The Regional Directorate appreciates your dedicated efforts and continued commitment in translating the ideals of NSS— “Not Me But You”—into meaningful action and encourages you to continue inspiring NSS Volunteers to undertake innovative and impactful community service activities.

To,

Mr. Alamgir Mandal
NSS Programme Officer
