Feedback Action Taken Report AY 2019-20

Action Taken Reports on Feedback:

Sl. No.	Suggestions from Alumni	Action Taken
1.	Improve training and placement initiatives	Initiated collaborations with industry partners to enhance placement opportunities and training programs. Training was given for NET/SET and competitive examinations.
2,	Continuously upgrade and maintain college facilities.	Launched a project for modernizing classrooms, labs, and common areas based on recent feedback.
3,	Increasing the variety and quantity of resources can enhance the library experience.	Expanded digital and physical collections and improved the study environment.
4.	Further strengthening the alumni network can provide better support and networking opportunities for current students and recent graduates.	Organized regular alumni meetups and networking events and leveraged alumni for mentorship programs and guest lectures.

Sl. No.	Suggestions from Students	Action Taken
1.	Increase the number of green spaces and improve the maintenance of existing ones to elevate the overall campus ambience.	A campus-wide greenery enhancement project has been launched to plant more trees and improve landscape maintenance.
2.	Provide additional training for staff to improve their interaction and support with students.	Workshops and training sessions for staff to enhance their support and interaction with students.

3.	Upgrade laboratory infrastructure and ensure consistent availability of necessary equipment and resources.	Allocation of funds for the procurement of new equipment and improvement of existing laboratory facilities.
4.	Improve the accessibility of computers by expanding lab hours or increasing the number of available units.	Extended lab hours and procurement of additional computers to accommodate more students.
5.	Address the needs for better physical infrastructure to enhance the overall student experience.	Ongoing projects to renovate and upgrade physical infrastructure including classrooms, laboratories, and common areas.
6.	Invest in sports facilities and programs to encourage student participation and improve satisfaction in this area.	Introduction of new sports programs and improvement of existing facilities to encourage greater student participation.
7.	Focus on improving the support provided by GEO Lab staff through training and resource allocation.	Implementation of training programs for GEO Lab staff to better assist students and improve service quality.

Sl. No	Recommendations from Teachers	Action Taken
1.	Emphasise on creative skills and ethical/environmental aspects with the university-designed C.B.C.S syllabus.	Enhancing creative skills and focussing on ethical/environmental standards and perspectives in university-designed course content.
2.	Improve expertise recognition of teachers. Continue to enhance ICT integration in teaching-learning process.	Upgrading teaching facilities and faculty expertise recognition.
3.	Increase motivation for research across all disciplines. Provide more financial assistance and promote access to reputable research journals.	Increasing financial and publishing support for research activities. Improving availability and quality of FDPs and seminar/conference/workshop organization.
4.	Increase opportunities for designing activities and enhance support in materials and parental involvement.	Empowering faculty to design diverse co-curricular activities and enhancing support from parents. Strengthening motivation for research among students and improving coordination among stakeholders.
5.	Focus on improving cleanliness standards, green environment initiatives, and the variety/quality of canteen offerings. Ensure reliable and efficient transport services and maintain high standards of drinking water provision.	Addressing basic amenity concerns by improving restroom cleanliness, green initiatives, canteen facilities, and transport/drinking water access.

Sl. No.	Recommendations from Parents	Action Taken
1.	Continue improvements in lab infrastructure and library facilities.	Initiatives taken for the purchase of lab equipment.
2.	Enhance support services and responsiveness.	All staff are informed.
3.	Offer more professional development for teachers.	Teachers participate in various seminars and workshops.
4.	Increase access to resources and support.	Teachers are informed of this matter.
5.	Strengthen career counselling and placement services.	The convener of the Career Counselling Cell is informed of this matter.
6.	Improve food quality and variety. in the canteen	This matter is informed to the canteen manager.
