Sl. No.	Recommendations from Teachers	Action Taken
1.	Cleanliness standards should be improved throughout the campus.	Improved campus cleanliness standards throughout facilities.
2.	Support for research materials and resources should be enhanced and the teaching-learning process should be enhanced.	Increased support for faculty engaged in research activities, including grants and access to high-quality journals. Expanded Faculty Development Programs (FDPs) to enhance teaching methodologies and knowledge. Organized more workshops, seminars, and conferences to keep faculty updated with the latest trends and technologies. Tried to align teaching of the university curriculum with student career aspirations.
3.	A green environment on campus should be developed and maintained.	Developed and maintained a green environment on campus.
4.	Facilities like restrooms, canteen, and drinking water provisions should be improved.	Improved facilities such as restrooms, canteen, and drinking water provisions.
	Improve library resources and teach the university curriculum in a more engaging manner	Taught curriculum to emphasize employable skills. Introduced more creative elements within the university curriculum to engage students effectively. Improved library resources and e-resources. Incorporated robust ethical and environmental attitudes within the teaching of the curriculum.

Sl. No.	Recommendations of Parents	Action Taken
1.	Parents expressed their concerns about the quality of education received online, potential learning gaps, and the effectiveness of hybrid models.	The college understands these critical issues and is committed to addressing them comprehensively. The college assured the parents that the faculty would leave no stone unturned to address individual needs and provide all kinds of support if the need so arises.
2.	They were concerned about the ongoing health risks due to Covid 19	The college assured the parents that all precautionary measures would be taken to curb the spread of the fatal disease.
3.	They expressed their concerns about the impact of the pandemic on career prospects and job opportunities for students.	The college undertook several initiatives, like hands-on training programmes, and also signed MoUs with several organizations to address this issue.
4.	They complained about the lack of engagement and interaction with teachers in virtual classes.	The college requested the parents to send their wards to the college so that they develop close ties with their classmates and peers and also interact with teachers, which is essential for their academic and mental well-being.

Sl. No.	Recommendations from Employers	Action Taken
1.	Introduce a new entrepreneurship development course focusing on practical business skills and startup management.	Organized workshops and invited successful entrepreneurs as guest speakers.
2.	Launch an innovation lab equipped with modern technology and tools to facilitate hands-on projects.	Encouraged interdisciplinary collaboration among students.
3.	Establish industry advisory boards for each department to ensure curriculum relevance.	Initiated internships and industry projects for practical experience.
4.	Implement a bi-annual employer satisfaction survey to gather feedback on graduates' performance and skills.	Used survey results to refine curriculum and teaching methodologies.
