

Student Feedback 2018-19

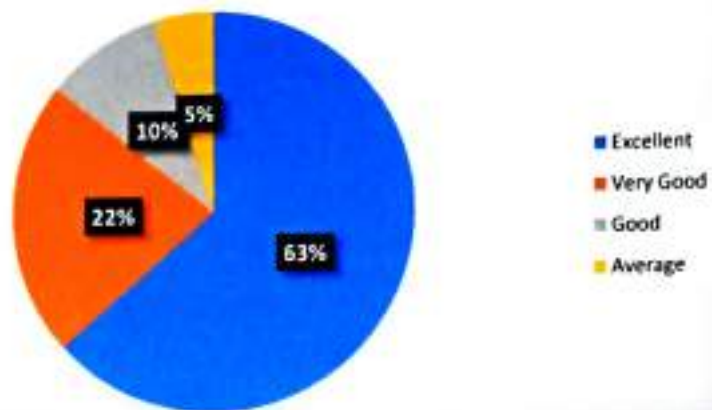

The student feedback survey for the academic year 2018-2019 was conducted to assess various aspects of the college experience. The feedback was collected from 315 students and rated across four categories: Excellent, Very Good, Good, and Average. This comprehensive feedback provides valuable insights into the strengths and areas needing improvement within the institution, encompassing aspects such as academic quality, infrastructure, co-curricular activities, and support services. Student feedback was given from 25/03/2019 to 29/03/2019.

Analysis of the Feedback

Infrastructure Analysis:

- **Library and Seminar Facilities:** Students generally appreciated the availability of prescribed books in the library and seminar rooms. However, there were suggestions to expand the collection and improve the seating arrangements for better study environments.
- **Reading and Common Rooms:** Satisfaction was mixed regarding the reading and common rooms. Some students felt they were adequate, while others suggested improvements in comfort and maintenance.
- **Internet and Photocopying Facilities:** Availability of internet facilities received positive feedback, but there were concerns about the speed and reliability. Similarly, students expressed satisfaction with the photocopying facility but noted occasional issues with availability.
- **Classrooms and Laboratories:** The condition of classrooms and equipment in labs generally met expectations. However, there were sporadic mentions of maintenance issues that need attention.
- **Campus Accessibility:** Most students found the campus accessible, though there were suggestions for better infrastructure catering to differently abled persons.

Learning Environment Analysis:

- **Teaching Quality:** Feedback indicated satisfaction with the teaching quality, highlighting the competence and dedication of faculty members.
- **Student Support Services:** Positive feedback was received regarding the helpfulness of office staff and the effectiveness of grievance redressal mechanisms.
- **Extracurricular Activities:** Students appreciated the opportunities for extracurricular engagement, though some felt there could be more variety and frequency.

Recommendations:

Library Enhancement:

- Increase the collection of books, focusing on current and relevant academic resources.
- Improve seating arrangements and study spaces to enhance comfort and productivity.

2. Internet and Technology:

- o Address issues related to internet speed and reliability to support seamless academic research and learning activities.
- o Ensure adequate maintenance of computer facilities and encourage regular updates.

3. Classroom and Laboratory Maintenance:

- o Implement a proactive maintenance schedule to address reported issues promptly.
- o Upgrade equipment in laboratories to meet modern educational standards and ensure functionality.

4. Accessibility and Inclusivity:

- o Enhance infrastructure to better accommodate differently abled students, including ramps and accessible facilities.
- o Raise awareness and implement policies to foster an inclusive environment for all students.

5. Extracurricular Activities:

- o Diversify and increase the frequency of extracurricular programs to cater to varied student interests.
- o Promote student participation through effective communication and support from faculty and administration.

6. Faculty Development and Support:

- o Provide ongoing training and professional development opportunities for faculty members to enhance teaching methods and student engagement.
- o Strengthen support services for faculty to promote their well-being and professional growth.

7. Student Feedback Mechanism:

- o Establish a robust system for collecting and acting upon student feedback to continuously improve educational experiences.
- o Regularly assess and adjust policies and practices based on feedback to meet evolving student needs.

Students' Feedback Report 2022-23

Analysis of Feedback

The data from the questionnaire were analyzed to calculate the average score for each area assessed. Here are some key points from the feedback:

Academic Aspects:

- **Overall Academic Atmosphere:** The majority of students rated the academic atmosphere positively, with many scores in the range of 3 to 5.
- **Number of Lectures:** Students generally expressed satisfaction with the number of lectures delivered.
- **Comprehensibility of Lectures:** Students indicated that they could understand the lectures, with a few exceptions.
- **Teacher Support:** Most students felt comfortable asking questions and received satisfactory answers from teachers.
- **Syllabus Completion:** There was a high satisfaction rate regarding the timely completion of the syllabus.
- **Evaluation Process:** Students were generally satisfied with the evaluation process.
- **Support for Academically Weak Students:** Some students felt that more support could be provided.
- **Interaction with Teachers:** Regular interaction with teachers was rated positively.
- **Provision of Study Materials:** Satisfaction was high regarding the availability of study materials.
- **Use of Digital Technology:** Mixed feedback was received, with some students indicating room for improvement.
- **Availability of Reference Books:** Some students felt that more reference books should be available in the library.
- **Course Objectives Achievement:** Most students felt confident that they had attained the course objectives.

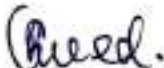

Non-Academic Aspects:

- **Facilities (Drinking Water, Washrooms, Classrooms, etc.):** Feedback was mixed, with some areas needing improvement, particularly the washroom facilities.
- **Sports and Co-curricular Activities:** Generally rated positively, but some students indicated the need for more activities.
- **Support and Security:** Students felt relatively secure, and the support systems were rated adequately.
- **Cleanliness and Greenery:** Maintenance and cleanliness received mixed reviews, indicating areas for improvement.
- **College Website and Complaint Redressal:** Some students expressed the need for better online resources and a more efficient complaint redressal system.
- **Administrative Support and Common Rooms:** These areas received average ratings, suggesting the need for enhancements.

Recommendations & Suggestions

1. **Increase Reference Books in Library:** Expand the collection of reference books to better support students' academic needs.
2. **Improve Digital Technology Use:** Enhance the integration of digital technology in teaching and learning processes.
3. **Enhance Washroom Facilities:** Improve the cleanliness and availability of washroom facilities.
4. **Boost Co-curricular Activities:** Organize more co-curricular activities to engage students and support their overall development.
5. **Strengthen Support for Weak Students:** Develop additional programs and resources to assist academically weak students.
6. **Upgrade College Website:** Improve the functionality and resources available on the college website.
7. **Enhance Complaint Redressal:** Establish a more efficient and responsive complaint redressal mechanism.
